Our Lady of Czestochowa Catholic Church

120 Sussex Street, Jersey City, NJ 07302

Our Mission

The mission of our Parish is to reach out to all people and encourage them to join us in joyfully giving praise and glory to God; to build a Christian community that, with trust in God, embraces the future, and in doing so, is a beacon of faith, hope and love on the Jersey City waterfront.

Our History

Our Lady of Czestochowa Church, or OLC, was founded in 1911 to serve Polish immigrants in Jersey City. Today, OLC is growing and changing as it seeks to serve all those who now live in our neighborhood. The Church takes its name from a city in Poland that houses a cherished icon of the Blessed Virgin Mary. A copy of that icon is centrally located in our historic Church.

Thirty-Second Sunday in Ordinary Time – November 12, 2017

FROM THE PASTOR

Dear Parishioners,

November is Alzheimer's Disease Awareness Month in New Jersey. Alzheimer's impacts over 500,000 New Jersey residents—the over 170,000 people who have the disease and their family caregivers. Those who have been diagnosed with Alzheimer's disease and their family caregivers are often overwhelmed. They need to understand Alzheimer's and to prepare emotionally, financially and practically for this progressive and terminal disease.

Dementia is an umbrella term used to describe over 100 different conditions that impair memory, behavior and thinking. Alzheimer's disease is the most common form of dementia. Scientists don't yet fully understand what causes Alzheimer's disease in most people. While people who are aging normally may forget things as well, they will typically remember them later. The earlier the disease is detected, the earlier can help be sought for the person with Alzheimer's and their caregivers. It is important to distinguish Alzheimer's vs. the signs of normal aging. Key differences are the number of episodes, and the severity and duration of the behavior. The Early warning signs of the disease are:

Memory loss. Especially when it comes to recent or important events, names, placement of objects, and other new information vs. periodically and temporarily forgetting names, appointments or where you left your keys

Disorientation to time and place. Become lost on your own street or forget where you are, how you got there and how to return home vs. forgetting the day of the week or why you entered a room

Struggle to complete familiar actions. Such as brushing teeth, getting dressed, preparing a meal or placing a telephone call vs. sometimes needing help with an electronic device

Trouble finding the appropriate words, completing sentences, and following directions and conversations. May repeat and call things by the wrong name vs. occasionally struggle to find the right word

Poor judgment when making decisions. Wearing several shirts on a warm day or giving away large sums of money to solicitors vs. making questionable or debatable decisions at times

Changes in mood or personality. Increased suspicion, rapid and persistent mood swings, withdrawal and disinterest in usual activities vs. feeling fatigued by work and social obligations now and then or become irritable when a routine is disrupted

Difficulty with complex mental assignments. Balancing a checkbook or other tasks involving numbers or following directions vs. making a mistake when balancing a checkbook or occasionally leaving an ingredient out of a recipe.

For more information, please visit the Alzheimer's New Jersey website at www.alzjn.org.

With my love,

MASS INTENTIONS

WHOEVER
EATS THIS
BREAD
WILL LIVE
FOREVER

It is a long-standing tradition in many different faiths and cultures to remember, and even venerate, someone's deceased relatives and friends. We keep alive the memory of our deceased relatives and friends by remembering them in our prayers. Through our prayers, we can also continue that spiritual and loving connection we had when they walked this earth.

Remembering someone in our prayers (whether alive or deceased) is particularly important to us as Catholics. Because the celebration of the Mass is the highest form of worship, the practice of having a Mass "offered" for an individual, deceased or living, or for a particular intention, is an excellent way of bringing our intentions to God. This is a long-standing tradition in the church. It is also a devotional practice whereby we keep alive the memory of our loved ones. Through this practice, we can maintain that loving bond between ourselves and those whom we love. A Mass can be offered on the anniversary of death or on a person's birthday, or at any time. You may also have a Mass celebrated for someone who is ill, in thanksgiving and for special intentions for family and/or friends.

Take the time to have a Mass celebrated for your loved ones. Simply stop by the rectory, call us at **201-434-0798** or send an e-mail to: secretary@olcjc.org.

WEEKLY OFFERING

Weekly
OFFERING

Thank you so much for your financial support and for living your financial commitment to your parish. We are grateful for those who generously support the parish. **We need your support** to achieve our weekly collection goal of \$6,000 per Sunday.

Recently ParishPay has Transitioned to LPI's WeShare Service. If you use ParishPay, you may experience and see a difference in the services they provide. Others may find it difficult to log on. The Rectory will explore these problems and provide help and additional information.

We continue to face a financial crisis. While our collections were up during the Easter Season, they have been dropping below our \$6,000 weekly goal again. Therefore, we still expect financial difficulties as we go forward. We ask a few things of you:

1. Use an electronic payment service if you cannot attend Mass each weekend. This is possible through LPI's WeShare Services or you may have your bank or financial institution send us a check on a regular basis..
2. Increase your weekly donation. We really need people to be as generous as possible each week to support the parish.
3. If you do not use Parishpay, please "make up" your regular donation the next time you attend Mass. To sign up for ParishPay, go to www.paritypay.com and follow the prompts.

For the weekend of November 4/5, 360 people attended Mass. The collection in church amounted to \$5,159. ParishPay donations for the past week were \$2,130 contributing to a weekend collection of \$7,289. This is \$1,289 above our weekly goal of \$6,000.

If you have been away from church traveling for any reason, we encourage you to "make up" your contributions. Remember that although it is important to support your parish financially, your donation is ultimately a gift back to God for his blessings.

2017 BLACK AND INDIAN MISSION COLLECTION

On November 18 and 19, our parish will take up the 131st annual National Black and Indian Mission Collection. Our support of this collection helps build the Church in African American, Native American, and Alaska Native communities

from coast to coast. Schools, parish religious education programs, and diocesan ministries depend on your generosity to help them spread the Gospel of Jesus Christ!

STEWARDSHIP

"Therefore, stay awake, for you know neither the day nor the hour."

- Matthew 25:13

Many of us have put off doing something because we think we are too busy. We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. Don't delay, how is God calling you to use your gifts today?

"Watch therefore, for you know neither the day nor the hour in which the Son of Man is coming."

Matthew 25:13, NKJV
